

of the Operating Costs of Association. Notwithstanding the foregoing, SFWMD has the right to take enforcement action, including a civil action for an injunction and penalties against Association to compel it to correct any outstanding problems with the Surface Water Management System facilities or in mitigation or conservation areas under the responsibility or control of Association. Association shall accept any and all transfer of permits from Developer. Association shall cooperate with Developer with any applications, certifications, documents or consents required to effectuate any such transfer of permits to Association.

13.10.2 Amendments to Association Documents. Any proposed amendment to the Association Documents which will affect the Surface Water Management System, including any environmental conservation area and the water management portions of the Common Areas, must have the prior written approval of SFWMD. Association's registered agent shall maintain copies of all Surface Water Management System permits and correspondence respecting such permits, and any future SFWMD permit actions shall be maintained by Association's registered agent for Association's benefit.

13.11 Adjoining Areas. Except as otherwise provided herein, Association shall also maintain those drainage areas, swales, easements, driveways, and landscape areas that are within the Common Areas, provided that such areas are readily accessible to Association. Association shall have no responsibility for the Facilities except and to the extent provided in any agreement between Association and the District. Under no circumstances shall Association be responsible for maintaining any areas within fences or walls that form a part of a Home.

13.12 Negligence. The expense of any maintenance, repair or construction of any portion of the Common Areas necessitated by the negligent or willful acts of an Owner or persons utilizing the Common Areas, through or under an Owner shall be borne solely by such Owner and the Home, Lot and/or Parcel owned by that Owner shall be subject to an Individual Assessment for that expense. By way of example, and not of limitation, an Owner shall be responsible for the removal of all landscaping and structures placed within easements or Common Areas without the prior written approval of Association.

13.13 Right of Entry. Developer, the District, and Association are granted a perpetual and irrevocable easement over, under and across Turquesa by Lennar for the purposes herein expressed, including, without limitation, for inspections to ascertain compliance with the provisions of this Declaration, and for the performance of any maintenance, alteration or repair which it is entitled to perform. Without limiting the foregoing, Developer specifically reserves easements for all purposes necessary to comply with any governmental requirement or to satisfy any condition that is a prerequisite for a governmental approval. By way of example, and not of limitation, Developer may construct, maintain, repair, alter, replace and/or remove improvements; install landscaping; install utilities; and/or remove structures on any portion of Turquesa by Lennar if Developer is required to do so in order to obtain the release of any bond posted with any governmental agency.

13.14 Maintenance of Property Owned by Others. Association shall, if designated by Developer or the District (or by Association after the Community Completion Date) by amendment to this Declaration or any document of record including, without limitation declaration(s) of condominium, maintain vegetation, landscaping, sprinkler system, community identification/features and/or other areas or elements designated by Developer or the District (or by Association after the Community Completion Date) upon areas which are within or outside of Turquesa by Lennar. Such areas may abut, or be proximate to, Turquesa by Lennar, and may be owned by, or be dedicated to, others including, but not limited to, a utility, governmental or quasi-governmental entity. These areas may include (for example and not limitation) swale areas, landscape buffer areas, berm areas or median areas within the right-of-way of public streets, roads, drainage areas, community identification or entrance features, community signage or other identification and/or areas within canal rights-of-ways or other abutting waterways. To the extent there is any agreement between Developer or the District and Association for the maintenance of any lakes or ponds outside Turquesa by Lennar, Association shall maintain the same as part of the Common Areas.

14. Maintenance by Owners. All lawns, landscaping and sprinkler systems and any property, structures, improvements and appurtenances not maintained by Association shall be well maintained and kept in first class, good, safe, clean, neat and attractive condition consistent with the general appearance of Turquesa by Lennar by the Owner of each Home. To the extent not maintained by the Association, each Owner is specifically responsible for maintaining all grass, landscaping and improvements within any portion of their Lot in accordance with the standards set forth below.

14.1.7 Irrigation. Owners shall maintain all sprinklers located on their respective Lot(s), if any. Every Owner shall be required to irrigate the grass and landscaping located on his or her respective Lot(s) in a routine and ordinary manner, and shall ensure that sufficient irrigation occurs during all periods when the Owner is absent from the Lot. Each Owner shall comply with all water use restrictions imposed by applicable governmental entities. To the extent an Owner fails to comply with any such water use restrictions and Association is subsequently fined due to such water use, Association may impose an Individual Assessment upon such Owner for the payment of any fine(s) imposed on Association. Pump stations and valves shall be checked as needed by an independent contractor to assure proper automatic operation.

14.1.8 Post Lights. Each Owner shall maintain all post lights (whether gas or electric) which are located within the boundaries of his or her Lot.

14.1.9 Weeding. All beds are to be weeded upon every cut. Weeds growing in joints in curbs, driveways, and expansion joints shall be removed as needed. Chemical treatment is permitted.

14.1.10 Trash Removal. Dirt, trash, plant and tree cuttings and debris resulting from all operations shall be removed and all areas left in clean condition before the end of the day.

14.1.11 Right of Association to Enforce. In the event an Owner does not comply with this Section, Association may perform the necessary maintenance to the lawn and charge the costs thereof to the non-complying Owner as an Individual Assessment. Association shall have the right to enforce the foregoing Lawn Maintenance Standards by all necessary legal action. In the event that Association is the prevailing party with respect to any litigation respecting the Lawn Maintenance Standards, it shall be entitled to recover all of its attorneys' fees and paraprofessional fees, and costs, pre-trial and at all levels of proceedings, including appeals.

Notwithstanding the foregoing, Owners who install improvements to the Home (including, without limitation, concrete or brick pavers) which result in any change in the flow and/or drainage of surface water shall be responsible for all of the costs of drainage problems resulting from such improvement. Further, in the event that such Owner fails to pay for such required repairs, each Owner agrees to reimburse the Association for all expenses incurred in fixing such drainage problems including, without limitation, removing excess water and/or repairing the Surface Water Management System.

Further, each Owner agrees to reimburse Association any expense incurred in repairing any damage to such driveway or sidewalk in the event that such Owner fails to make the required repairs, together with interest at the highest rate allowed by law.

14.1.12.5 No material alteration, addition or modification to a Parcel, Lot or Home, or material change in the appearance thereof, shall be made without the prior written approval of the ACC, as required by this Declaration.

14.1.12.6 No artificial grass, plants or other artificial vegetation, or rocks or other landscape devices, shall be placed or maintained upon the exterior portion of any Home, Lot or Parcel, unless approved by the ACC.

Otherwise, Owners may keep domestic pets as permitted by County ordinances and otherwise in accordance with the Rules and Regulations established by the Board from time to time. Notwithstanding the foregoing, pets may be kept or harbored in a Home only so long as such pets or animals do not constitute a nuisance. A determination by the Board that an animal or pet kept or harbored in a Home is a nuisance shall be conclusive and binding on all parties. All pets shall be walked on a leash. No pet shall be permitted outside a Home unless such pet is kept on a leash or within an enclosed portion of the yard of a Lot, as approved by the ACC. No pet or animal shall be "tied out" on the exterior of the Home or in the Common Areas, or left unattended in a yard or on a balcony, porch, or patio. No dog runs or enclosures shall be permitted on any Lot. When notice of removal of any pet is given by the Board, the pet shall be removed within forty-eight (48) hours of the giving of the notice. Owners' automobiles shall be parked in the garage or driveway, if provided, and shall not block the sidewalk. No vehicles of any nature shall be parked on any portion of Turquesa by Lennar or a Lot except on the surfaced parking area thereof. All lawn maintenance vehicles shall park on the driveway of the Home and not in the roadway or swale. The term commercial vehicle shall not be deemed to include law enforcement vehicles or sport utility vehicles (i.e., Tahoes™, 4Runners™, Explorers™, Navigators™, etc.) or clean "non-working" vehicles such as pick-up trucks, vans, or cars if they are used by the Owner on a daily basis for normal transportation. Notwithstanding any other provision in this Declaration to the contrary, the foregoing provisions shall not apply to construction vehicles in connection with the construction, improvement, installation, or repair by Developer or Builder of Homes, Common Areas, or any other Turquesa by Lennar facility. No vehicles displaying commercial advertising shall be parked within the public view. No vehicles bearing a "for sale" sign shall be parked within the public view anywhere on Turquesa by Lennar. For any Owner who drives an automobile issued by the County or other governmental entity (i.e., police cars), such automobile shall not be deemed to be a commercial vehicle and may be parked in the garage or driveway of the Home. No vehicle shall be used as a domicile or residence either temporarily or permanently. No vehicle with expired registration or license plates may be kept within public view anywhere on Turquesa by Lennar. Subject to applicable laws and ordinances, any vehicle parked in violation of these or other restrictions contained in this Declaration or in the Rules and Regulations now or subsequently adopted may (without obligation) be towed by Association at the sole expense of the owner of such vehicle. Association shall not be liable to the owner of such vehicle for trespass, conversion, or otherwise, nor guilty of any criminal act, by reason of such towing. Notwithstanding the foregoing, each Owner acknowledges that such Owner and its family, guests, tenants, and invitees shall abide by all parking regulations issued by the local governing authority having jurisdiction.

15.3 Casualty Destruction to Improvements. In the event that a Home or other improvement is damaged or destroyed by casualty loss or other loss, then within a reasonable period of time after such incident, the Owner thereof shall either commence to rebuild or repair the damaged Home or improvement and diligently continue such rebuilding or repairing until completion, or properly clear the damaged Home or improvement and restore or repair the Home as approved by the ACC. As to any such reconstruction of a destroyed Home or improvements, the same shall only be replaced as approved by the ACC.

Except for normal construction activity, sale, and re-sale of a Home or Lot, sale or re-sale of other property owned by Developer, administrative offices of Developer or Builders, no commercial or business activity shall be conducted in any Lot within Turquesa by Lennar. Notwithstanding the foregoing, and subject to applicable statutes and ordinances, an Owner may maintain a home business office within

a Home for such Owner's personal use; provided, however, business invitees, customers, and clients shall not be permitted to meet with Owners in Homes unless the Board provides otherwise in the Rules and Regulations. No Owner may actively engage in any solicitations for commercial purposes within Turquesa by Lennar. No solicitors of a commercial nature shall be allowed within Turquesa by Lennar, without the prior written consent of Association. No garage sales are permitted, except as permitted by Association. No day care center or facility may be operated out of a Home. Prior to the Community Completion Date, Association shall not permit any garage sales without the prior written consent of Developer.

15.5 Completion and Sale of Homes or Units. No person or entity shall interfere with the completion and sale of Homes or Lots within Turquesa by Lennar. Notwithstanding the foregoing, holiday lighting and decorations shall be permitted to be placed upon the exterior portions of the Home and upon the Lot in the manner permitted hereunder commencing on Thanksgiving and shall be removed not later than January 15th of the following year. The ACC may establish standards for holiday lights. The ACC may require the removal of any lighting that creates a nuisance (e.g., unacceptable spillover to adjacent Home or Lot).

15.9 Disputes as to Use. If there is any dispute as to whether the use of any portion of Turquesa by Lennar complies with this Declaration, such dispute shall, prior to the Community Completion Date, be decided by Developer, and thereafter by Association. A determination rendered by such party with respect to such dispute shall be final and binding on all persons concerned.

15.10 Drainage System. Drainage systems and drainage facilities may be part of the Common Areas and/or Lots/Homes. To the extent it is not the responsibility of the District, the maintenance of such systems and/or facilities within the Common Areas shall be the responsibility of the Association. Once drainage systems or drainage facilities are installed by Developer, the maintenance of such systems and/or facilities thereafter within the boundary of a Lot shall be the responsibility of the Owner of the Lot which includes such system and/or facilities. In the event that such system or facilities (whether comprised of swales, pipes, pumps, waterbody slopes, or other improvements) is adversely affected by landscaping, fences, structures (including, without limitation, pavers), or additions, the cost to correct, repair, or maintain such drainage system and/or facilities shall be the responsibility of the Owner of each Lot containing all or a part of such drainage system and/or facilities. By way of example, and not of limitation, if the Owner of one Lot plants a tree (pursuant to ACC approval) and the roots of such tree subsequently affect pipes or other drainage facilities within another Lot, the Owner that plants the tree shall be solely responsible for the removal of the roots that adversely affect the adjacent Lot. Likewise, if the roots of a tree located within the Common Areas adversely affect an adjacent Lot, Association shall be responsible for the removal of the roots and the costs thereof shall be Operating Costs. Notwithstanding the foregoing, Association and Developer shall have no responsibility or liability for drainage problems of any type whatsoever.

15.11 Extended Vacation and Absences. In the event a Home will be unoccupied for an extended period, the Home must be prepared prior to departure by: (i) notifying Association in writing; (ii) removing all removable furniture, plants and other objects from outside the Home; and (iii) designating a responsible firm or individual to care for the Home, should the Home suffer damage or require attention, and providing a key to that firm or individual. The name of the designee shall be furnished to Association. Neither Association nor Developer shall have any responsibility of any nature relating to any unoccupied Home.

15.12 Fences and Walls. No walls or fences shall be erected or installed without prior written consent of the ACC. All enclosures of balconies or patios, including, without limitation addition of vinyl windows, and decks shall require the prior written approval of the ACC. No garbage cans, supplies or other similar articles shall be maintained on any Lot so as to be visible from outside the Home, Lot or Parcel. Each Owner shall be responsible for properly depositing his or her garbage and trash in garbage cans and trash containers sufficient for pick-up by the appropriate collection agencies in accordance with the requirements of any such agency. All such trash receptacles shall be maintained in a sanitary condition and shall be shielded from the view of adjacent properties and streets. Garbage cans and trash containers shall not be placed outside the Home for pick-up earlier than 6:00 p.m. on the day preceding the pick-up and must be returned to the Lots so that they are not visible from outside the Lot on the day of pickup.

Except as the Board may otherwise decide, shutters may not be closed at any time other than a storm event. An approval by the ACC shall not be deemed an endorsement of the effectiveness of hurricane shutters.

15.18 Irrigation. The water used in the irrigation system is not suitable for drinking or water sports. People and pets should not play in such water. Due to water quality, irrigation systems may cause staining on Homes, other structures, paved areas, or vehicles. It is each Owner's responsibility to treat and remove any such staining. Association may require from time to time, that Owners adopt systems to prevent stains (e.g., automatic deionization systems). The yard of each Lot may be equipped with irrigation lines, depending on the model of the Home. No Owner whose Lot adjoins a waterway or lake, if any, may utilize the waterway or lake to irrigate unless so provided by Developer as part of original construction, subject to applicable permitting. Use of lake water, if any, by Owners is prohibited and is at the Owner's sole risk as chemicals are used to control aquatic vegetation in lakes. Association may use waterways and lakes to irrigate Common Areas, subject to applicable permitting and Developer shall not be liable for same. BY ACCEPTANCE OF A DEED TO A LOT, HOME OR PARCEL, EACH OWNER ACKNOWLEDGES THAT THE WATER LEVELS OF ALL LAKES AND WATERBODIES MAY VARY. THERE IS NO GUARANTEE BY DEVELOPER OR ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME. Developer, the District, and/or Association shall have the right to use one or more pumps to remove water from lakes and waterbodies for irrigation purposes at all times, subject to applicable permitting. Developer may utilize a computerized loop system to irrigate the Common Areas and/or Lots. Any computerized loop irrigation system that is not specifically the maintenance obligation of an Owner, shall be the maintenance obligation of Association and shall be deemed part of the Common Areas.

15.21 Leases. Homes may be leased, licensed or occupied only in their entirety and no fraction or portion may be rented. No bed and breakfast facility may be operated out of a Home. Individual rooms of a Home may not be leased on any basis. No transient tenants may be accommodated in a Home. To the extent that an Owner does not reside in his or her Home, but desires to permit family or friends to occupy such Home without a lease, all prospective occupants of the Home, prior to moving into the Home and irrespective of their relation to the Owner, must be registered with the Association and shall be subject to the Association's screening and approval process which is used for prospective tenants seeking to lease a Home within Turquesa by Lennar. All leases or occupancy agreements shall be in writing and a copy of all leases of Homes shall be provided to Association. All leases shall be on forms approved by Association and shall provide (or if not provided, shall be automatically deemed to provide) that Association shall have the unilateral right to terminate the lease upon default by the tenant in observing any of the provisions of the Association Documents or other applicable provisions of any agreement, document or instrument governing Turquesa by Lennar or administered by Association. Each Owner hereby acknowledges and agrees that any and all leases entered into by such Owner in connection with his or her Home shall be deemed to incorporate by this reference a collateral assignment of rents and leases in favor of Association, which collateral assignment of rents and leases shall provide that in the event such Owner leasing his or her Home is

past due in the payment of his or her Assessments, Association shall have the power and authority to take actions including, but not limited to: (i) collecting rents now due or that become due directly from such Owner's tenant(s) (or other party in possession of the Home); and/or (ii) pursuing any and all legal remedies available against such Owner and/or such Owner's tenant(s) including, but not limited to, actions for eviction of such Owner's tenant(s). Owners are responsible for providing their tenants with copies of all such Association Documents or instruments at such Owner's sole cost and expense. Leasing of Homes shall also be subject to the prior written approval of Association, as more particularly explained in Section 26 hereof. No Home may be subject to more than two (2) leases in any twelve (12) month period, regardless of the lease term. No lease term shall be less than six (6) months. No subleasing or assignment of lease rights by the tenant is permitted. No time-share or other similar arrangement is permitted. In no event shall occupancy of a leased Home (except for temporary occupancy by visiting guests) exceed two (2) persons per bedroom. Each Owner shall be jointly and severally liable with the tenant to Association for all costs incurred by Association for the repair of any damage to Common Areas or to pay any claim for injury or damage to property caused by tenants. Association shall repair any such damage and the cost of such repair shall be invoiced as an Individual Assessment to the Owner. Additionally, as a condition to the approval by Association of a proposed lease of a Home, Association has the authority to require that a security deposit in an amount not to exceed the equivalent of one (1) month's rent be deposited into an account maintained by Association. The security deposit shall protect against damages to the Common Areas or Association Property. A security deposit held by Association under this Section shall be governed by Chapter 83 of the Florida Statutes, as it may be renumbered from time to time. Association may also charge a reasonable fee of no more than One Hundred (\$100.00) dollars to offset the costs of a background check on tenant. Association and its directors or officers, or any person acting on behalf of any of them, shall not be liable for any cost or damages incurred by any party whatsoever, due to any mistakes in judgment, negligence, or any action or inaction of Association, its officers, or directors, in connection with the approval or disapproval of tenants. Each Owner agrees, individually and on behalf of its prospective tenants, current tenants, heirs, successors and assigns by acquiring title to a Lot, that he or she (or any other of the aforementioned parties) shall not bring any action or suit against Association or its directors or officers, or any of the Association's agents or other parties acting on Association's behalf, in order to recover any damages alleged or caused by the actions of Association, or its officers or directors in connection with the provisions of this Section. All leases shall also comply with and be subject to the provisions of Section 26 hereof. Notwithstanding the foregoing, this Section shall not apply to a situation where an Owner or resident of a Home receives in-home care by a professional caregiver residing within the Home.

15.22 Minor's Use of Facilities. Each Owner shall be responsible for all actions of minor children dwelling in and/or visiting his or her Home. Developer and Association shall not be responsible for any use of the facilities and Common Areas by anyone, including minors. Children under the age of sixteen (16) shall be accompanied by an adult at all times.

15.23 Nuisances. No nuisance or any use or practice that is the source of unreasonable annoyance to others or which interferes with the peaceful possession and proper use of Turquesa by Lennar is permitted. 15.26 Pools. Pools shall not be permitted within Turquesa by Lennar.

15.27 Removal of Soil and Additional Landscaping. Without the prior approval of the ACC, no Owner shall remove soil from any portion of Turquesa by Lennar, change the level of the land within Turquesa by Lennar, or plant landscaping which results in any permanent change in the flow and drainage of surface water within Turquesa by Lennar. Owners may place additional plants, shrubs, or trees within any portion of Turquesa by Lennar with the prior approval of the ACC.

15.28 Roofs, Exterior Surfaces and Pressure Treatment. Roofs and/or exterior surfaces including, but not limited to, walkways, of each Home shall be pressure treated by the Owner of such Home within thirty (30) days of notice by the ACC. Each Owner shall be responsible to pressure clean between paintings. Notwithstanding the foregoing, in the event that any Owner fails to pressure treat their respective roof or exterior surfaces within thirty (30) days notice by the ACC, the Association may, but shall not be obligated to, pressure treatment any or all of such areas and may charge all of the costs relating to the same to the applicable Owner as an Individual Assessment.

15.29 Satellite Dishes and Antennas.
